Dear HUBZone Business Partner,

On behalf of the Town of Leesburg, welcome to our business community.

Recently, Money Magazine ranked Leesburg as one of the best small towns to live. Bearing that accolade, we want you to know we are committed to helping your business succeed, and have a variety of resources to assist you.

Leesburg HUBZone was identified January 1, 2013 for U.S. census tract 6105.05 in the historic downtown area. Since then, many new companies have joined our business community and earned their HUBZone certification.

The Town of Leesburg's Economic Development Department is committed to bringing you all the resources you'll need to succeed. Whether it is help with finding available office space in Leesburg's HUBZone, assistance with the certification process, or networking with other HUBZone companies and federal contractors, the Town of Leesburg is ready to help!

Leesburg offers one of the most vibrant and fastest growing business communities in the United States. Nearly 50% of our 50,000 residents have a Bachelor's Degree or higher, so you will find our workforce has the skills your business needs. We're young! 73% of our population is under 44 years of age.

The Town of Leesburg's Economic Development team stands ready to help your business grow. Each year, the Town offers several events, resources and marketing data that will help your business prosper and provide an opportunity. They are:

Our Business Development Package provides you with the demographic and marketing data needed to fine tune your business strategy, along with a list of resources to help you find the expertise you need in all areas of business and specifically HUBZone information.

Please contact us with any questions or issues you may have. We are always ready to help you and welcome your call or email.

Thank you again for your investment in the Town of Leesburg!

Sincerely,

Russell Seymour
