

# 2019 PUBLIC WORKS SPRING NEWS

## Are You a Responsible Pet Owner?

Many Leesburg residences are also homes to pets- specifically canines. There are close to 2,000 registered dog owners inside the Town of Leesburg's corporate limits. That amounts to a lot of pet waste- and can lead to a lot of water pollution. Pet waste plays a major role in water quality for streams, creeks, ponds in our area. Pet owners are reminded to be responsible for their pets and to clean up pet waste every time.

Pledge to be a responsible pet owner and scoop the poop - all the time! Take the PAWS for Clean Water pledge to always pick up after your pet and the Department of Public Works will send you a free pet waste bag dispenser.

Please visit [www.leesburgva.gov/paws](http://www.leesburgva.gov/paws) to sign up and receive your FREE pet waste dispenser. For more information, please visit [www.leesburgva.gov/publicworks](http://www.leesburgva.gov/publicworks) or call 703-771-2790.

## Trash and Recycling Reminders

- To schedule a bulk/oversized collection, please contact Patriot Disposal at 703-771-6677 or by email at [leesburgsupport@patriotdisposalservices.com](mailto:leesburgsupport@patriotdisposalservices.com)
- As of April 1, 2019, yard waste will be collected Town-wide every Monday. Yard waste should only be placed in biodegradable brown paper bags or in trash cans with a "Yard Waste" sticker. For more information, please visit [www.leesburgva.gov/publicworks](http://www.leesburgva.gov/publicworks)
