

# ***Town of Leesburg***

**Department Of Public Works**  
**STORM DRAIN MARKER PROGRAM**  
**INSTALLATION INSTRUCTIONS**

**Clean Surface** Clean the curb where the marker is to be placed. The adhesive surface should be flat, dry and free of any loose debris.

**Apply Adhesive Disc** Peel back paper from one side of disc. Firmly press disc onto concrete storm drain inlet top.

**Apply Adhesive Disc** Peel back paper from top side of disc. Firmly press decal onto exposed side of adhesive disc.

**Finish** Step on disc to use body weight to embed disc into adhesive. You have now successfully installed a storm drain marker!
