Dear Leesburg Utility Customer,

On behalf of the Town Council, I am pleased to inform you that your water and sewer rates will soon be lower, thanks to an agreement between the Town of Leesburg and the County of Loudoun.

Beginning in 2025, the County has committed to an annual payment to the Town that will allow us to extend in-town utility rates to our customers who fall outside of Leesburg's corporate limits. This means that, beginning July 1, you will be billed at the lower rates. The lower billing rates will remain in place as long as the agreement remains in force.

In closing, our Utilities Department will be sending you a separate letter with more detailed information on your new rates and billing schedule. In the meantime, you can find more information at www.leesburgva.gov/OOTRATES. If you have any questions, please reach out to our Utilities Customer Service staff at 703-771-2713 or watersewer@leesburgva.gov.

Sincerely,

A handwritten signature in black ink that reads "Kelly Burk". The signature is written in a cursive style with a long, sweeping underline.
